Earn While You Learn

"A Vocation — Your Shield For Life"

Our Town By Day

And By Night . . .

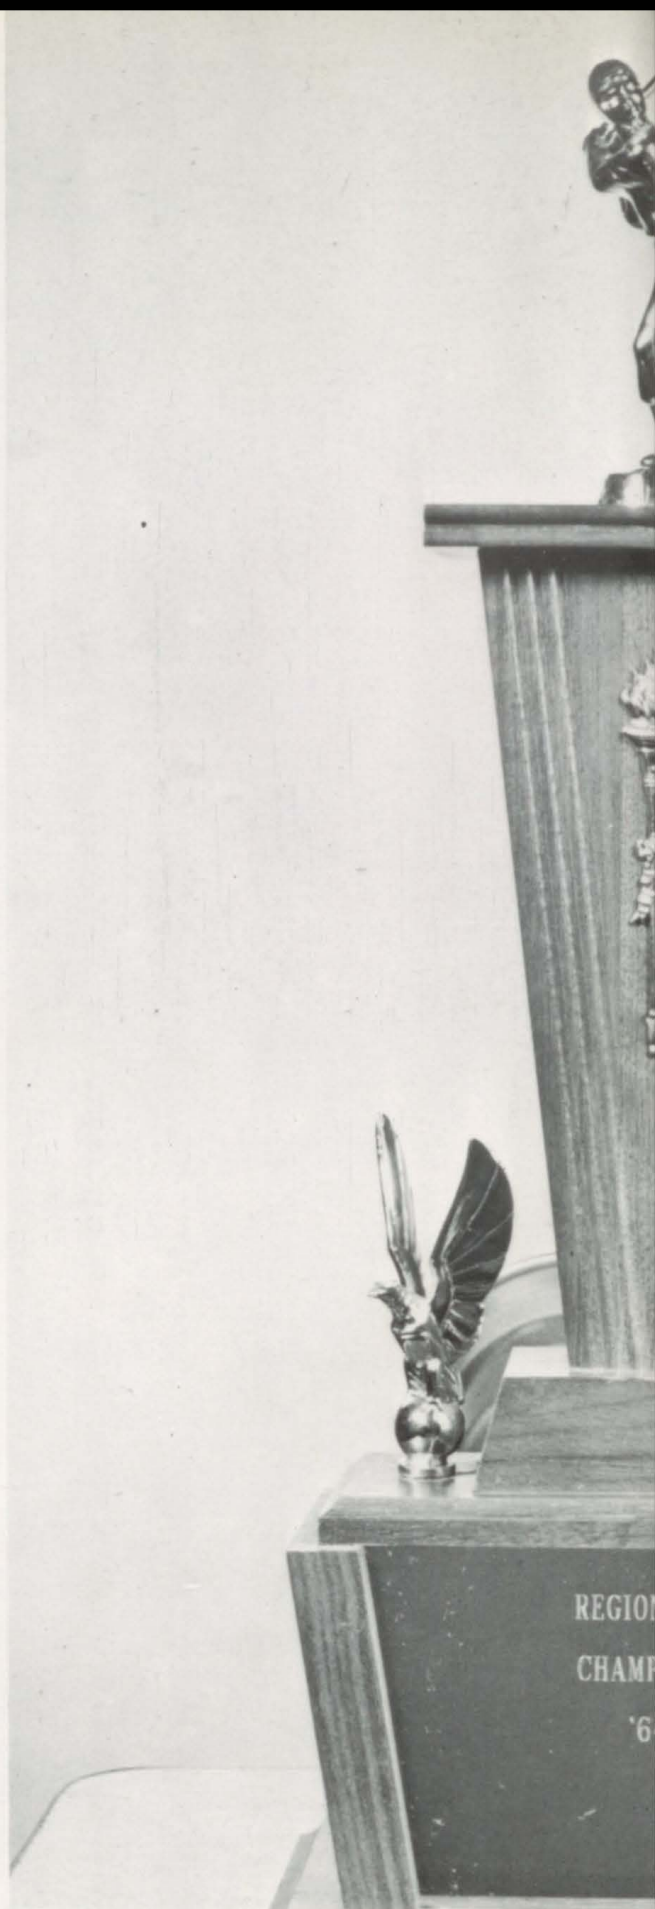

The pathways through high school are memorable ones. We hope that through this book we have portrayed a span of these pathways to the future upon which each of us travels.

Education is in itself a wide and heavily traveled pathway. There are many forks in this pathway – each leading to some goal set by those who are traveling upon it.

Just as some roads are unpaved, so are some pathways to success unpaved. There are many rough and threatening sections. If the goal is kept in view, however, all difficulties can be surmounted; the pathway will have served its purpose of furnishing a means of guidance.

We are proud of our faculty who are the guideposts along our pathway through high school. Without them, our trek would be futile.

With all these things in mind, the *Shield* staff presents to you the 1967 SHIELD.

MR. GLENN BACON

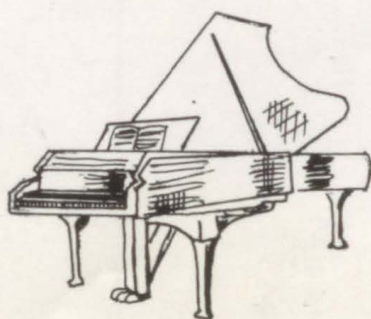

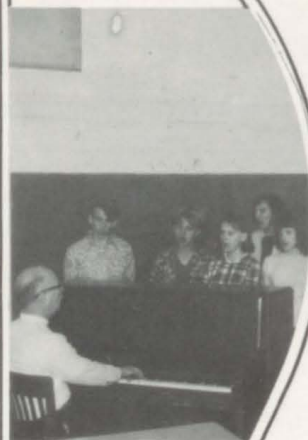

Dedication

The SHIELD staff and the class of 1967 proudly and affectionately dedicate our yearbook, the SHIELD, to you, Mr. Glenn Bacon.

You have directed our chorus and composed music for it for the last several years, giving us many hours of your time.

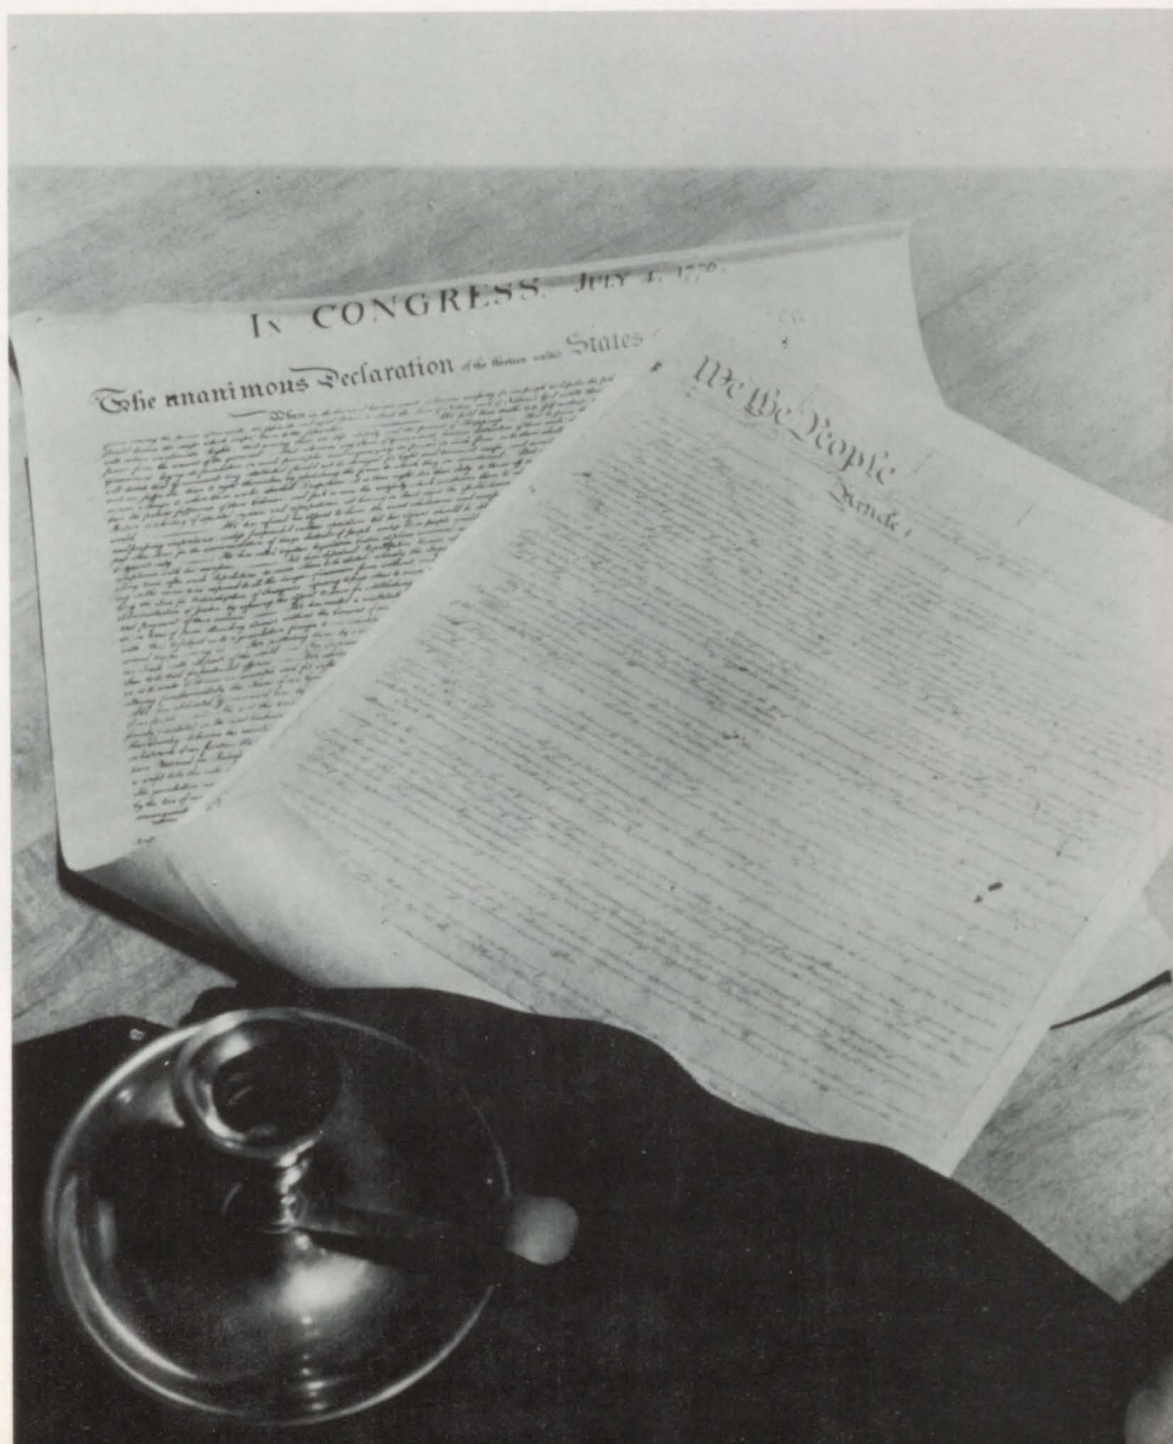

You have inspired the students of Dudley M. Hughes High School by your fine musical ability and by your devotion to duty. You have overlooked our carelessness and forgetfulness and have gently chided us into doing our best. By encouraging the students to develop their talents in and their tastes for music, you have made their lives more enjoyable.

It is an honor to pay tribute to one who has become such a genuine part of Dudley M. Hughes High School. We shall not soon forget your influence on our lives.

PLEDGE

The good teacher requires:

Physical Vitality I will try to keep my body well and strong.

Mental Vigor I will study daily and keep my mind active and alert.

Moral Discrimination I will seek to know the right and to live by it.

Wholesome Personality I will cultivate in myself goodwill, friendliness, poise, upright being, and careful speech.

Helpfulness I will learn the art of helping others by doing helpful things daily in school and home.

Knowledge I will fill my mind with worthy thoughts by observing all that is beautiful in the world around me, by reading the best books, and by association with the best companions.

Leadership I will make my influence count on the side of right, avoiding habits that weaken and destroy.

THESE THINGS WILL I DO NOW THAT I MAY BE WORTHY THE HIGH OFFICE OF TEACHER

Vocational Office Training

Vocational Office Training is a cooperative work-training program for seniors who are preparing for full-time employment in office occupations. Knowledges, skills, and techniques learned separately in Business Education are brought together and applied to an active office job.

The teacher coordinator places the student at a training station to receive a guided plan of work-experience education. Classroom instruction provides the opportunity to develop desirable personal qualities, traits, attitudes, and to develop further skills in performing a variety of office duties and procedures.

The FBLA Club gives students leadership experiences at Local, State and National Club level.

General Work Program

Hello Girls at the Phone Co.!
Sue Barnes and Mary Ann Stokes

Dennis Holloman, Shirley Cravey, Mary Ellen Britt, Carolyn Amerson
going to work at WRAMA. We have about 80 students working on the
base.

The General Work Program was designed to provide work-study experiences for our students. About two hundred students, who work in a variety of occupations, are learning early in life to face many of society's problems in the working world.

General Work Program students are providing themselves with the necessities of life while they are earning a high school diploma. Too, we are making early tax payers out of them.

We, the SHIELD staff of 1966-67, wish to express our appreciation to the many people who have helped us to prepare our annual this year. We owe special thanks to Mr. Oscar Huff, our photographer, for the tremendous amount of work that he has done in our behalf. We would also like to thank the faculty for their helpful suggestions and their co-operation. We feel that our book is a success, and to you who have helped us, we owe much credit.

GREETINGS, GRADUATES

We are glad to be a part of your Annual . . . the book that you will treasure for many years to come. We are already a part of your life . . . probably have been for most of it. You see, it would be hard to find a home in America to which Bibb Textile Products have not contributed beauty, comfort and utility in some measure. Bibb Yarn and Fabrics are woven into luxurious carpets, fashionable draperies, beautiful upholstery material. You'll find Bibb also in the office, in industry, and in the wardrobes of America. Bibb sheeting material stretches from the baby crib right on through life. So we salute you . . . we are happy you are taking us into your future.
